Autumn Stuff,

After Steve's lesson in not holding even good Chardonnay too long, this month will be reds.

Loren is the host in October, on the 19th. The tasting will be as last year at RONO GRAPHICS at 535 N.W. 16th. The route, you will remember is a bit of a circuitous route.

You take the Evert Exit off I-405 then circle the block to get going in the right direction. If you have a problem, give a call.

You might be well advised to check your older whites for the deterioration we found in last months tasting.

During your October thoughts remember the St. Louis Browns.

See you the 19th,

Larry

November Stuff;

I missed Lorens do on October's Third Thursday, and looking at the scores, regret it.

November meeting will be on Thursday the 16th at the upper room.

Please review your Membership list to see if any changes need to be made. I gather Harley & Ron are to switch dates this next year for a special do in January. -- Mouton and all that sort of thing. Please advise me when this is set.

See you the 16th;

Larry
